Re: RCRA 3012 Town Gas Facility

Dear Mr. Sieminski:

Enclosed are the Preliminary Assessment (PA) and Site Identification forms for the town gas facility in downtown Austin that you requested as a condition of our RCRA 3012 Cooperative Agreement.

We would like EPA approval on our RCRA 3012 Cooperative Agreement Amendment No. 7 as soon as possible so that work may begin immediately on the PA phase of the project.

If there are any other problems or questions regarding our recent submittal of Amendment No. 7, please call Ms. Patricia Curl at (512)463-7800.

Sincerely,

A handwritten signature in cursive script, reading "Robert Chapin for".
